ANTIOCH NURSERIES

H. B. PIERCE & SON, Prop's, ANTIOCH...ILLINOIS

Office and Nursery Just east of Depot

ESTABLISHED SIXTEEN YEARS

Entomologist's Certificate of Nursery Inspection Office of the Illinois State Entomologist.

URBANA, ILL., Aug. 8, 1901. This is to certify that the growing nursery stock and premises of *The Antioch Nursery*, (H. B. Pierce & Son), situated at Antioch, Ill., have been inspected according to the provisions of an Act to inspected according to the provisions of an Act to prevent the introduction and spread in Illinois of the San Jose scale and other dangerous insects and contagious diseases of fruits, approved and in force April 11, 1899, and that no indications have been found of the presence of the San Jose scale or other dangerous insect or plant disease.

This certificate is invalid after June 1, 1903.

S. A. FORBES, State Entomologist.

Announcement.

In presenting our price list again for your consideration, we wish to thank all our old patrons for their liberal patronage the past season, and hope to merit, by fair dealing and strict attention to your wants, a continuance of the same. Our business has steadily grown, until now we are able to offer a full line of nursery stock of suitable age and size to suit either the large or small planter. In addition to the stock listed and priced, if you do not find what you want, write us, and we will cheerfully give figures on same.

TERMS AND CONDITIONS.

Cash or satisfactory security before shipment of stock.

Packing free whether boxed or baled.

Prices given are for quantities specified, but six will be furnished at dozen rates, fifty at hundred, and five hundred at thousand rates.

We are located on the Wisconsin Central R. R., fifty-five miles from Chicago. Can also ship stock from Salem, Wis., six miles north of us, on the Chicago & North-Western R. R., when for the convenience of customers.
